From: Frank J. Guido, Fire Chief
Re: March 2026 Monthly Report

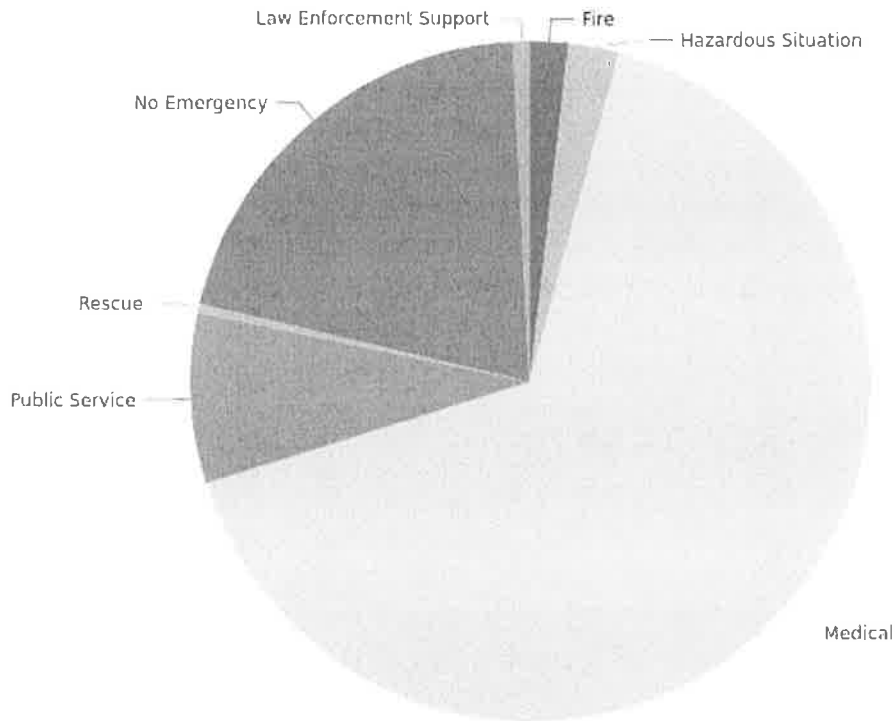

The month of March was also a very busy month the department responded to 506 calls For the month, with 404 calls being EMS related. We had two working fires for the month One on Rutter Avenue, and one on Ross Street, both fires did moderate damage to these homes. Due to the quick response of our department damage was considerably cut down although one of the homes required the Red Cross to place the occupants.

As I submit this monthly report to both municipal governments, I would like to thank you all from the bottom of my heart as this will be my last monthly report as I will be retiring on May 1, 2026, so the April report will be coming from the new Fire Chief with my assistance. 46 years is a long time in one job in this day and age, but I can tell without the support from both communities it would not have been possible, and I loved every minute of it for the most part. The yearly run book is in the final stages of printing and should be available sometime in the next two weeks. Once again please accept my thanks and I wish you all the best!
