Dear Ms. Arnone,

I recently read on the Forty Fort Borough website about an opening for a WVSA representative, and I'm writing to express my interest to be considered for this position.

I have over 25 years of experience working with civil engineering firms and property owners as a land surveyor. During my time in these roles, I have assisted with the planning, design and construction of a wide variety of sanitary sewer systems from small residential to large commercial projects. In addition, I have a thorough understanding of how to read design plans and review municipal code to ensure compliance.

I would appreciate an opportunity to talk with you or another associate of the borough to see how my experience and skills could benefit our community. Thank you for your time and consideration. I look forward to speaking with you in the near future.

Sincerely,

Thomas L. Kolesa
