Mr. Kamus stated that he would like to have street sweeping signs posted on all borough streets for next year to achieve the cleanliness of all roadways from dirt and leaves. The signs to be posted on streets designated as a "Snow Route" would have that additional verbiage on them. This may cost in the vicinity of \$30,000.00. Use of the remaining American Recovery Act funding may be considered.

Mr. Craig stated that an alternate member is needed for the UCC Appeals Board which currently has three (3) members and no alternates. A discussion followed regarding the plan review for the LIU building on Slocum St. and the need for a joint meeting with BIU, LIU and their engineer & contractor. Mayor Thomas will reach out to BIU to facilitate this meeting.

Mr. Kamus stated that following the installation of new cameras at the park, it was discovered that there is a need for five (5) additional cameras. This was also considered as a possible use of the remaining American Recovery Act funds.

With there being no further business to discuss, a motion to adjourn was made by Mr. Mazza at 7:02 PM and seconded by Mr. Mertz.

The next meeting will be held on Monday, December 2, 2024 at 6:00 PM.

Respectfully submitted,

Bonnie Arnone
